### Results Entry

Laboratory:

Scheme: **UK NEQAS for Viral gastroenteritis**

Distribution: **4401**

Dispatch date: **19-11-2018**

Return results: **10-12-2018**

Status:  **NOT submitted**

Page: [Info](#) [Methods](#) [Spec:4745](#) [Spec:4746](#) [Spec:4747](#) [Spec:4748](#)  
[Final Page](#) [Blank form](#)

A 4-year-old boy with diarrhoea and fever.

	<b>Specimen : 4745</b>
Adenovirus overall report	<input type="text" value="v"/>
Adenovirus nucleic acid detection	<input type="text" value="v"/>
Adenovirus nucleic acid detection test reading	<input type="text"/>
Adenovirus antigen detection	<input type="text" value="v"/>
Adenovirus antigen detection test reading	<input type="text"/>
.	
Norovirus overall report	<input type="text" value="v"/>
Norovirus nucleic acid detection	<input type="text" value="v"/>
Norovirus nucleic acid detection test reading	<input type="text"/>
Norovirus antigen detection	<input type="text" value="v"/>
Norovirus antigen detection test reading	<input type="text"/>
.	
Rotavirus overall report	<input type="text" value="v"/>
Rotavirus nucleic acid detection	<input type="text" value="v"/>
Rotavirus nucleic acid detection test reading	<input type="text"/>
Rotavirus antigen detection	<input type="text" value="v"/>
Rotavirus antigen detection test reading	<input type="text"/>

A one-year-old toddler with vomiting, diarrhoea and mild fever.

	<b>Specimen : 4746</b>
Adenovirus overall report	<input type="checkbox"/>
Adenovirus nucleic acid detection	<input type="checkbox"/>
Adenovirus nucleic acid detection test reading	<input type="text"/>
Adenovirus antigen detection	<input type="checkbox"/>
Adenovirus antigen detection test reading	<input type="text"/>
.	
Norovirus overall report	<input type="checkbox"/>
Norovirus nucleic acid detection	<input type="checkbox"/>
Norovirus nucleic acid detection test reading	<input type="text"/>
Norovirus antigen detection	<input type="checkbox"/>
Norovirus antigen detection test reading	<input type="text"/>
.	
Rotavirus overall report	<input type="checkbox"/>
Rotavirus nucleic acid detection	<input type="checkbox"/>
Rotavirus nucleic acid detection test reading	<input type="text"/>
Rotavirus antigen detection	<input type="checkbox"/>
Rotavirus antigen detection test reading	<input type="text"/>
